

# GERALD RENHART ADITIA SITIO

## Student

☎ : 085261757921

Date of Birth : 05/02/2004

✉ : gerald sitio16@gmail.com

Gender : Male

📍 : Tigaras, Kabupaten Simalungun, Sumatera Utara.

Marital Status : Single

Currently, I am a student in the D3 Information Technology program at Del Technology Institute. My work experience as a network technician during a vocational high school provided many valuable insights, especially in interacting with customers or clients. Through this experience, I learned to understand different personalities and developed strong problem-solving skills. I also honed my communication skills to interact effectively with a variety of individuals.

### Work Experience

August 2021 -  
October 2021

**Network Technician**  
PT Iweka Digital Solusi

Medan, Sumatera  
Utara

- Setup and configuring network devices such as routers, switches, and access points to ensure optimal connectivity.
- Assign and manage VLANs, routing, and other network protocols as needed.
- Design an efficient and scalable network architecture according to company needs and identify network requirements based on business and technical analysis.
- Install and configure radio devices according to technical specifications and determine the best location for mounting antennas and radio devices to ensure optimal performance.
- Configure Mikrotik devices such as routers, switches, and access points to meet network needs and create optimal settings for routing, firewall, NAT, QoS, and other features on Mikrotik devices.
